

# Your Favorite Business List

Please fill out your favorite business list as thoroughly as possible. Print clearly and be sure to list the phone numbers for each location that you would like to see on the card. It is important to list 3 choices in case we are unable to secure your 1<sup>st</sup> or 2<sup>nd</sup> choices. The more eating establishments you have on the card, the better your card will sell. Since people eat every day, they will easily recoup their \$5 - \$10 donation by using the card at the places they already patronize.
